

*Stella Nova 2018*

Originating as Stella Splendens, founded by Therese Schroeder-Sheker over 25 years ago, our women's choral ensemble has continued as Stella Nova with Lily Kellogg and Jan Duncan as artistic directors. We present a Christmas Offering every year and touch on the themes of the season, tending towards a Marian focus. Our Offering includes medieval chant, polyphonic art song and music of many times and cultures. We meet each week to sing in a circle, joining together in a practice of listening, blending and harmonizing. We hope that the approximately hour long Offering at 5:00 is a welcome respite at this busy time of afternoon and evening events. We are blessed and grateful to be able to sing in the beautiful Wash Park U.C.C. space and hope to share the blessings of the season with you.

*Yours, Jane Carteron, Bethany Cobb, Jan Duncan, Vicki Hinder. Lily Kellogg*
